FEBRUARY

Total Defence Day 2025

This year's theme, "Together We Keep Singapore Strong," highlights the importance of unity and preparedness in overcoming challenges.

Recess was buzzing with engaging booths and activities that reinforce Total Defence values.

APRIL

P3 SwimSafer Programme

The Parent Support Group (PSG) members provided assistance during the P3 SwimSafer programme , helping with supervision and logistics.

Their dedicated support ensured our students had a safe and enriching swimming experience throughout the sessions.

Earth Day 2025

The PSG members actively supported our primary school's Earth Day recess activities, assisting with booth operations and engaging students in environmental awareness programmes . Their enthusiasm helped make the event educational and memorable.

PSG Family Day 2025

The Parent Support Group (PSG) hosted a lively Family Day, bringing together PSG members and their families for a fun-filled and engaging event. The day was kick-started with a warm welcome and opening address by our Principal, Mr Leow.

The highlight of the morning was an informative workshop held at the school library, led by PSG teacher-in-charge Mdm Fung, Mdm Suriana, and PSG Vice Chairperson Minghui. The session touched on important topics such as internet safety, cybersecurity, managing screen time, navigating social media content, addressing cyberbullying, and exploring healthy alternatives to screen time.

PSG Family Day 2025

After the workshop, participants enjoyed light snacks before heading to the canteen, where families took part in engaging bonding activities. From fanpainting and card craft-making to board games and photo-taking at the specially set-up photo wall, there was something for everyone to enjoy.

It was a wonderful opportunity to connect, strengthen friendships, and share meaningful moments together. The event was filled with laughter, creativity, and the spirit of community, making it a truly memorable day for all who attended.

As part of the event, all who attended also contributed to creating a special canvas fingerprint artwork, symbolising the growth of this vibrant community that continues to be an integral part of the Parent -School Partnership initiative.

Cyber Wellness

As part of this term's theme of Responsibility, students learnt how to protect themselves from cyberbullying, practise safe online habits, and apply the THINK rule before posting:
Is it Truthful, Helpful, Inspiring, Necessary, and Kind?

Students also explored key steps to stay safe online: Stop, Save, Block, Tell, and Report to help build resilience against cyberbullying.

AUGUST

GO Green SG 2025

This year, 97 schools across Singapore came together to co-create a beautiful tapestry made from pre-loved school uniforms — a meaningful symbol of unity and commitment to a greener future.

With the support of our school and Parent Support Group (PSG), we donated uniforms and were proud to be represented at the workshop by our PSG EXCO, Mdm Nora in (Chairperson) and Mdm Sandy (EXCO Member).

Reading Festival

The annual Reading Festival was held to spark excitement and nurture good reading habits among our students.

During recess, they had fun taking part in a variety of reading-related games that were thoughtfully prepared by their teachers.

Parent volunteers were also present to guide and encourage the children as they played. The lively atmosphere made reading an enjoyable and memorable experience for all.

AUGUST

Parent-child Bonding cum VIA Activity at All Saints Home

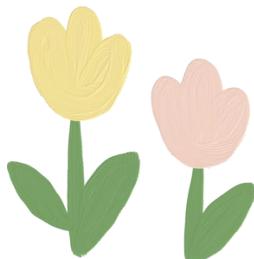

The Parent Support Group provided excellent support for our intergenerational bonding event, where parent -child pairs guided elderly residents through hands -on activities at All Saints Home. PSG members helped coordinate this meaningful session, assisting with logistics and encouraging participants to create handicrafts as heartfelt tokens for the seniors.

This wonderful initiative fostered empathy and compassion in our children whilst providing invaluable companionship to our community's elderly residents. The shared experiences created lasting memories for families and strengthened bonds across generations.

SEPTEMBER

Appreciation Day Card Making

For Appreciation Day (Teachers' Day), several parents from the Parent Support Group (PSG) took time off over the weekend to gather in school and prepare a meaningful gift for all teachers and non-teaching staff. They lovingly designed a handcrafted paper quilling card with the heartfelt message, "Thank you for nurturing seeds to bloom."

The card symbolises the deep gratitude of parents and students alike, appreciating the dedication, time, and effort of the school staff in guiding every child. Just like seeds nurtured with care, our students will one day grow and flourish into beautiful blooms, thanks to the unwavering support of their teachers and all staff in Xinghua.

"Together, We Make School Brighter!"

On behalf of the Parent Support Group, I would like to extend my heartfelt thanks to all our members who have given their time, creativity, and energy to make this year's activities a success. Your willingness to help, whether planning events, lending a hand on busy days, or simply sharing ideas, shows what we can achieve when parents come together.

I'm so proud of what we've accomplished as a team. We've built friendships, strengthened the bond between parents and school, and most importantly, created a supportive environment for our children to thrive.

We're always excited to welcome more parents to be part of our PSG family. There is no special requirement, just a willingness to help when you can. Whether you can spare a few hours a month or just pitch in during big events, every bit makes a difference. Together, we can do even more for our children and our school.

If you'd like to find out more or sign up, please come and chat with any of our committee members or scan the QR code. We'd be delighted to welcome you into the group.

Once again, thank you to our wonderful members and to all parents for your ongoing support. Let's continue working hand in hand to make our school community stronger than ever.

Thank you, and have a lovely day.

"Together, We Make School Brighter!"

From the Chairperson: Ms. Norain Binte Mohd Salleh (Ain)
